27 April 2021

Chris Smith – Project Director  
Jenni Wild – Engagement & Partnerships lead

# Project update

- Contract awarded for Stage 1A of “Papakura to Drury South” project to Fulton Hogan Ltd
- Sod turning ceremony held 16 April, construction underway
- NOR and consents for Stage 1B1 expected to be lodged mid 2021
- Other stages lodged progressively through to 2022 (Stage 3 route protection in 2022).

# Community feedback 2020

## Key feedback themes:

- Desire to see faster progress than previous projects on the Southern Motorway
- The importance of meeting project delivery timeframes
- Desire for disruption to residents and road users to be minimised
- Positive response to route protection
- Support for improved environmental outcomes including stormwater treatment
- Support for the walking and cycling path and improved local connections.
