3. Community Implications *[Vandalism, Road Safety, Health & Safety issues, etc]*

Thank You! Traffic Safety from the Week 7 Newsletter published on 19th March 2026

Thank you to everyone who has made an effort to park safely and considerately following our recent newsletter reminder about car parking. We appreciate the care being taken to keep pavements and roads

as clear as possible.

At last week's Country Cluster Interschool Swimming event, it was great to see cars parked appropriately along the road past the shops. When one car parks correctly, it sets a positive example for others to follow.

While we did still receive a complaint via the Council, the photos shared show many examples of excellent parking, with no vehicles on yellow dotted lines or obstructing pedestrians or traffic.

Thank you for your continued support in keeping our community safe.
