Works and Issues report

Works and Issues Report

I.	Gorse on the roadside on Springhill Road leading to the village. This is on Council land, could we please address the gorse.	Service Delivery	A light chemical control spray of the gorse has been completed. It is however apparent that any heavy chemical application in the area will have a devastating effect on the planted native trees within the vacinity. The Alliance are keen to undertstand the Community Boards expectations, as frequent manual control of pest plants is an expensive exercise.
			A site visit will be undertaken by Council staff to determine the state of the natives in the vicinity and will report back to the next meeting.
2.	Te Puea Avenue at the Island Block Road end. There are still issues around pooling of water.	Service Delivery	As previously reported, the current plan is to install an additional 60m of storm water pipe and two new manholes, draining into the existing system. This solution will ensure that road drainage is independent to both the power station site and adjacent state highway road reserve. Project is planned to be completed during week of 17 March 2017.
3.	Meremere Hall – flooring, the issue of the floor boards has still not been rectified	Service Delivery	The flooring contractor has been contacted today again and has confirmed that they will be in contact with a Committee Member within the next few days to organsie a time for the installer to attend the site. The installer will then begin the process of rectifiying the flooring issue. Staff have confirmed this action by emailing both the contractor and Committee Member to ensure this action occurs.
4.	What is happening with the Inorganic collection?	Service Delivery	Staff are discussing feasibility and costing with contractors and Council. Communication plans are in place once a decision has been made.

Report Title | Community Board/Committee Workshop

I. EXECUTIVE SUMMARY

The annual workshop held with Community Boards and Committees on 15 February 2017 included discussion on the role of Community Boards and Committees, Zero Harm, growth nodes and economic development within the district, Discretionary Fund Operations, Community Targeted Rates and the Relationship between Council and Community Boards and Committees, particularly with regard to communication.

At this workshop it was agreed that going forward they would be held quarterly. The next workshop is planned to be held at Council on 17 May 2017 at 5.30pm. His Worship the Mayor, Councillors and members of the Executive Team will again be in attendance.

Members are requested to provide topics for the agenda to the Council Support Team Manager by Monday I May 2017. Please email rose.gray@waidc.govt.nz.

The following topics have already been identified for discussion:

- Follow-up on the Community Board and Committee Terms of Reference
- Zero Harm
- Youth Representatives

2. RECOMMENDATION
