

Policy and Regulatory Agenda – 16 March 2020

Item 5.5 – Recommended 2019 Amendments to schedules attached to the Waikato District Council Speed Limit Bylaw 2011

Minor amendments to the Schedules attached to the 2019 Proposed Speed Bylaw 2011 schedule amendments report (Appendix 2)

2019 Proposed Changes

The below portion of Whangamarino Road was included in the 2019 speed consultation; however it was not included in the schedule attached to the report. Please accept this change as an administrative error and include as part of the 2019 schedule amendments.

To be included in the 80km table on page 104 of the agenda:

WHANGAMARINO RD	RODDA RD	600m NORTH OF PADDY ROAD	80km/hr

2018 Adopted Changes

Additionally it was found that there are four roads in the incorrect schedule table from the 2018 amendments. These were approved and adopted on 11 February 2019 to become 50km/h roads, however were not updated in the data system that creates the schedule tables. Please accept this as an administrative error and note that these roads will be amended in the schedules as per the approval of the 2018 speed amendments.
