Te Kauwhata Works & Issues Report – May 2022

Agenda Item 6.3.

The report was received, and discussions were held.

- Dog Exercise Area: Tim advised that he has been in touch with both the Te Kauwhata College and the Lions Club. The community garden is completed. The Lions Club and Menshed are working together to install some of the old equipment from the Te Kauwhata Playground in the dog park. Installation is expected to happen in October/November 2022.
- Walkway at end of Blunt Road: The update from Council's Community Projects team was noted.
- Te Kauwhata Village Green Playground: HEB Construction has supplied pricing to Council. NTC has been issued to HEB Construction for the equipment so that the order can be placed. Scope has been provided for the carpark works. The next segment of works pricing schedule is being worked through. Council has been asked by the Committee to provide more information regarding the carpark works.

Te Kauwhata Domain Plan:

- Walkway and fitness trail: It was corrected that the length of the walkway and trail will be 450 metres and not 45 meters. Cost estimate for 400m is \$106k, based on \$132/m. Cr Sedgwick indicated that the \$62,000 set aside for improvements to the Domain can be rolled over if unspent.

			Also, some previous track work done to the west of the proposed boardwalk requires resource consent for some of the drainage/culvert works. Some of the physical works will need to be revisited and improved to meet requirements. The resource consenting will be included in the consent now needed for the boardwalk works. 4. Te Kauwhata Domain Projects and Action Plan

Background

TKCC resolved in 2021 that \$100K the North Waikato Development Fund be used as seed funding to seek further investment for the purposes of upgrading the domain, and in particular the walkway/fitness trail.

- There is \$62,000 allocated in year 2 of Council's Long-Term Plan (2021-2031) for improvements in the Domain, and \$216,112 for the Domain walkway.
 - Council will be renewing the Village Green Playground with some minor upgrades.
 - Kim Wood (Council's former Open Spaces Project Co-ordinator) convened workshops with both the Te Kauwhata Domain Committee and the Te Kauwhata Community Committee in late 2021 to co-design the Domain Concept Plan.
 - A Domain Projects and Action List was developed in April 2022.
 - The project is now in planning phase.
