

Safer Waikato Roads

Tuakau Bridge, Port Waikato Road,
Waikato District

Safer Waikato Roads

The Waikato Regional Transport Committee is working with local councils and the NZ Transport Agency to find out what you think about speed on selected roads, including one near you.

These roads are possible demonstration sites for the Waikato Speed Management project. The aim of the project is to reduce the number of people who die or are injured on our roads, by looking at how we manage speed on them.

Tuakau Bridge - Port Waikato Road Waikato District

Tell us what you think about the speed people travel in your community.

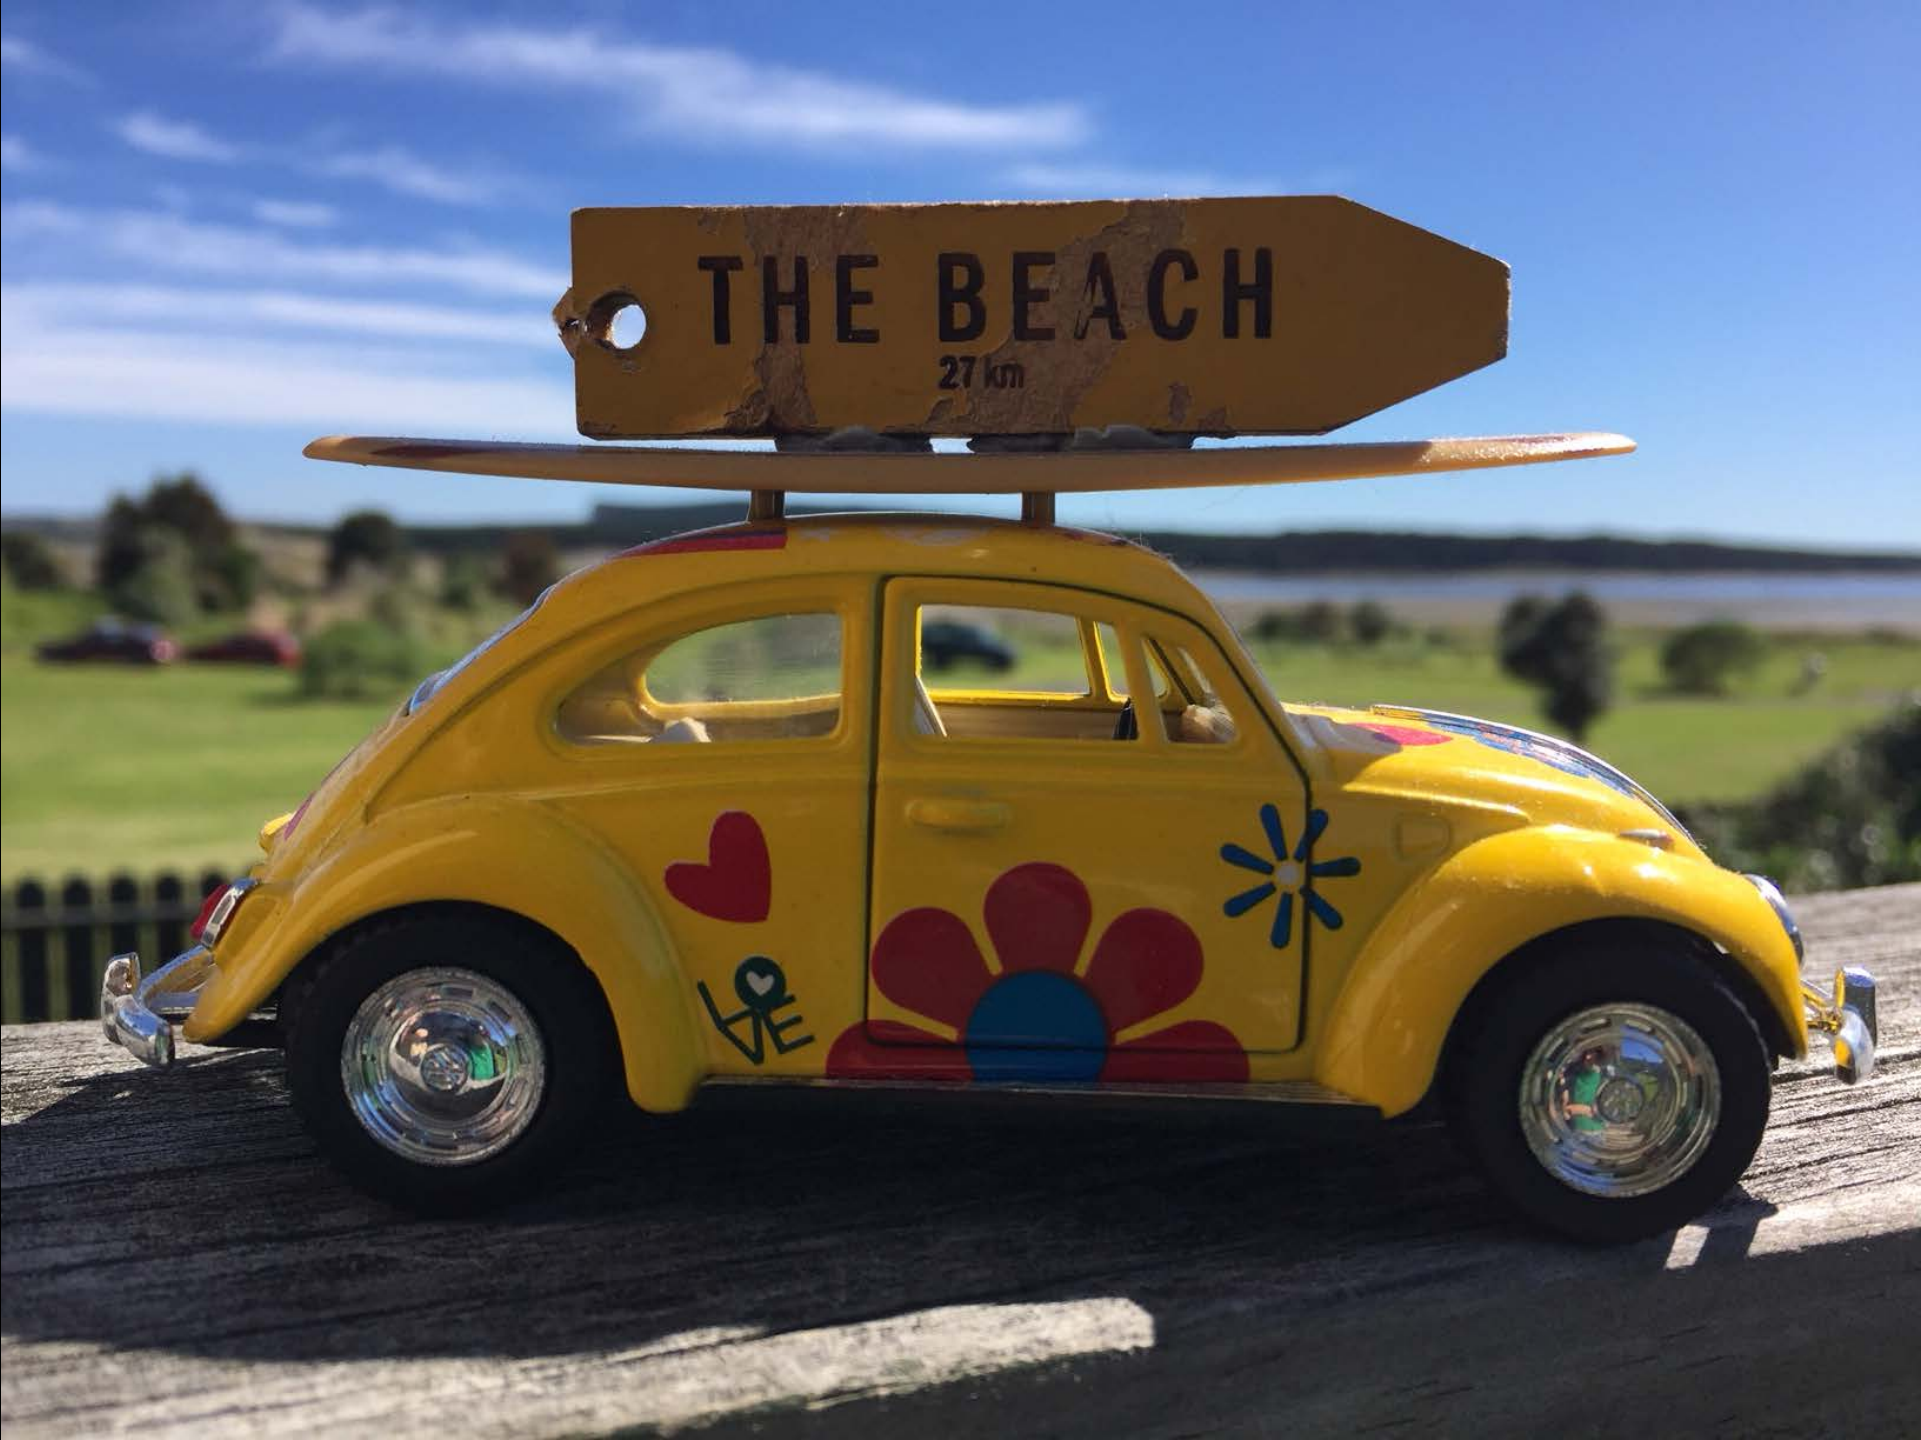

- Come along to a drop in session on Saturday 9th of April at Port Waikato Community Hall from 10.30 - 1pm.
- Fill in an online survey at www.waikatoregion.govt.nz/speed-management, and be in to win a powerbank phone charger.
