**Meremere WWTP – Abatement Notice EAC6415 Cancelled**

Waikato Regional Council has considered the request by the Waikato District Council to cancel abatement notice EAC6145. This abatement notice was served on 18 April 2019 based on non-compliance of the treated wastewater discharged from the Meremere WWTP to the Waikato River.

After consideration of the improved quality of the treated wastewater discharged from the upgraded Meremere WWTP, WRC has now cancelled abatement notice EAC6145 as requested. Thank you for your efforts with this.
