NOTICE OF PERSON'S WISH TO BE PARTY TO PROCEEDINGS

Section 274, Resource Management Act 1991

To The Registrar
Environment Court
Auckland

Name of Person who wishes to be Party

1. Ohinewai Lands Limited (**OLL**) wish to be a party to the following proceedings:
 - a. ENV-2021-AKL-00073 - An appeal by Waikato Regional Council (**WRC**) against a decision of the Waikato District Council to rezone land at Ohinewai under the Proposed Waikato District Plan (**District Plan**).
2. OLL:
 - a. Is a person with an interest in the proceedings greater than the interest that the general public has, being an adjacent landowner to the proposed rezoning; and
 - b. made submissions and further submissions on the Waikato District Plan and the proposed rezoning, being the subject matter of the proceedings.
3. OLL participated in the District Plan hearing processes for the Ohinewai Rezoning of the Ambury Properties Ltd (**APL**) site (Hearing 19), Natural Hazards - Ohinewai - (Hearing 27), and the rezoning of Ohinewai land surrounding the APL site (Hearing 25). OLL sought, amongst other things, Future Urban zoning of two parcels of land owned by OLL (title SA33A/52 and parts of titles SA33A/444 and SA634/172), which adjoin the APL site, for industrial and residential activities. The Independent Hearing Panel had not at the time of filing this notice issued any further decisions in relation to Hearings 27 or 25. OLL wishes to ensure that future District Plan decisions concerning Ohinewai (e.g., Hearings 27 and 25) are integrated and made consistent with any decision on the matters presently under appeal.

Trade competition

4. OLL is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991 (**RMA**).

The Proceeding

5. OLL is interested in all of the proceedings.

Particular Issues

6. OLL is particularly interested in the following issues:
 - a. Whether the zoning will result in a well-functioning urban environment, and give adequate effect to the National Policy Statement on Urban Development 2020 (**NPS-UD**);
 - b. Whether the zoning will give effect to the Waikato Regional Policy Statement (**WRPS**); and
 - c. Whether the zoning will appropriately or adequately integrate land use and infrastructure/planning, including without limitation, transportation, three waters, and community facilities.

Relief sought

7. OLL opposes the relief sought by WRC at Appendix 1 of its Notice of Appeal and seeks that the relief sought by WRC is declined, subject to:
 - a. stormwater issues being appropriately addressed as set out under paragraph [12] of this notice, and
 - b. consistency with the rest of the District Plan as set out under paragraph [13] of this notice.

Reasons for relief sought

8. The decision correctly concluded that the zoning gives effect to the WRPS and the NPS-UD, and appropriately had regard to other statutory documents such as the Waikato 2070 (growth strategy developed by Waikato District Council).

9. The decision correctly concluded that the zoning gives effect to the NPS-UD because it will add significantly to development capacity and contribute to transforming the Huntly and Ohinewai area into a well-functioning urban environment.
10. OLL considers residential land uses will enable the establishment of a well-functioning urban environment with better opportunities for living, working, playing, and improved housing supply.
11. The decision correctly concluded that reliance on private vehicles will be reduced by enabling a more complete community with proximity to living, working, and playing opportunities, as opposed to a more limited industrial and business-zoning of the land.
12. OLL is concerned to ensure that stormwater from development within the Ohinewai Zone is required to be managed in a way which appropriately manages actual and potential effects on adjoining land holdings. OLL supports stormwater-related provisions that will ensure any adverse effects on surrounding land will be appropriately avoided, remedied, or mitigated.
13. OLL is concerned to ensure that District Plan provisions (both from Hearing 19 as well as Hearings 27 and 25) relating to Ohinewai are integrated and consistent in their application.

Dispute resolution

14. OLL agrees to participate in mediation or other alternative dispute resolution of the proceedings.
