Provision or decision appealed by Appellant	Support / Oppose	Reason
<p>Amend the definition of "Flood plain management area" as follows: "Means an area identified on the planning maps which is at risk of flooding in a 1% AEP flood event and is otherwise described in this District Plan as the 1%AEP floodplain."</p>	Oppose	Specific rules apply if land is within a 'Flood plain management area' – planning maps provide resource users certainty as to where the provisions apply.
