MINUTE FROM HEARING COMMISSIONERS

15 February 2021

1. On 26 January 2021 counsel for Ambury Properties Limited, Mr Berry, filed a memorandum providing an update about the proposed water and wastewater servicing at Ohinewai.
2. On 10 February 2021 we received a memorandum from Ms Tukere on behalf of Waikato-Tainui, expressing a number of concerns with Mr Berry's memorandum, particularly in respect of the minimum wastewater treatment standards for the Huntly Wastewater Treatment Plant and the provision of drinking water, including for Ngaruawahia.
3. The purpose of this Minute is simply to acknowledge receipt of this information and note that it will be considered as part of our deliberations.
4. The Hearings Panel would be grateful if the Hearings Administrator could provide this Minute to Waikato-Tainui and counsel for Ambury Properties Limited and post it on the Council's website in the usual manner.
